

DOMAINE ANDRE NEVEU - VINS DE SANCERRE

Sancerre Blanc 2021/2022 Le Manoir

Produced from 50 year old vines planted on a limestone pebble soil, this wine gives intense aromas, a pleasing roundness, and length in the mouth. This is a wine that will keep well for several years. Drink as an aperitif or with Loire river fish, and white meats.

Appearance :

☞ Pale gold with green highlights, limpid.

Nose :

☞ The intense nose shows a broad and complete palate of aromas: floral sensations (violets) are accompanied by fruity notes (litchi), and beautiful minerality (gun smoke).

Mouth :

☞ Round and full at first, its vivacious side slowly builds to the end, which reveals harmonious notes of citrus (lemon, grapefruit). A dense white Sancerre that finishes with a lingering aromatic persistence.
